Have your hearing aid in place if you use one.

Sit in an area free of obstacles.

Sit in a stable chair with back support that does not have wheels. Do not sit on a couch, sofa or bed.

Position the camera so you are in full view with your head, hands, and feet visible.

Have your current government-issued photo ID ready to confirm your identity.

We'll Talk Soon

If you have scheduled your interview for a later date, keep these tips handy to review before-hand. When you're ready, follow the email link you received to complete your video interview.

Your Ally will guide you through a series of cognitive and physical assessments to demonstrate your ability to remember what you hear and to evaluate your balance and muscle strength. Soon after your interview is finished, your agent will be notified of your underwriting class. Remember — everyone is approved!
